THE CLASS OF 2015

DEDICATES OUR YEARBOOK TO:

When it's happening, we don't always notice it. You know... that magical moment your teacher changes your life forever. It's a different process for everyone. Sometimes it's a warm smile as we are entering the classroom. Sometimes it's when a student is asked if they're ok just because. Other times it happens in the middle of a lecture, a reading or a class discussion. The "when" isn't important. What's important is that "the moment" happened for us. The Class of 2015 dedicates our yearbook to you, Ms. Mimidas and thanks you for being a great teacher.

Although Mr. Schwamberger is no longer a teacher at our school, the impact and influence he had on our class is everlasting. His classes never felt like a chore or just another period to get through. His connection with students was personal and easygoing. It was often the little encouragements, the easily forgotten asides, the friendly smile, the brief compliments and the sharing of personal experiences that taught us the most and meant the most to our class. The Class of 2015 thanks you for being a great teacher and a source of inspiration.

THE CLASS OF 2015

WISHES A VERY HAPPY RETIREMENT TO:

Ms. Capriglione

Ms. Perkins

Ms. Thomas

Ms. White

WELL WISHES FROM

Each year spent at Science Park High School has been transitional, every year more challenging than the last. Each year presented you with obstacles you've had to overcome. Senior year is transformational! It is the year you realize you've met the goals you set for yourselves four years ago. Remember the payoff lies not only in graduation, the venue that celebrates your accomplishments, but in the reflection of your journey to get there. Congratulations Chargers!

Mr. Thomas

It is with a tremendous amount of pride that I wish each member of the Class of 2015 my most enthusiastic congratulations. Graduation is an opportunity to reflect on your accomplishments, to prepare for the future, and to dream new, bigger dreams. Revel in this moment and let it pave a new road full of rich and fulfilling experiences!

Ms. Jackson

As you move beyond the familiar environment which has provided you with knowledge and rich experiences, nurtured your intellectual growth and shown you your truest potential, I leave you with wise words by Arie Pencovici - "Graduation is only a concept. In real life everyday you graduate. Graduation is a process that goes on until the last day of your life. If you can grasp that, you'll make a difference".

Mr. Sawaged

Congratulations class of 2015! From here on out your life is what you make of it. Whether it's more school, a break or entering the workforce, your life is yours to design and that kind of liberty is a beautiful and powerful thing. Greet your future with anticipation and ambition. Dream big, work hard and follow through until you conquer all the things you want.

BABY MINE, DON'T YOU CRY.

BABY MINE, DRY YOUR EYES.

REST YOUR HEAD CLOSE TO MY HEART,
NEVER TO PART,
BABY OF MINE.

LITTLE ONE WHEN YOU PLAY,
DON'T YOU MIND WHAT THEY SAY.
LET THOSE EYES SPARKLE AND SHINE,
NEVER A TEAR,
BABY OF MINE.

IF THEY KNEW SWEET LITTLE YOU
THEY'D END UP LOVING YOU TWO.
ALL OF THOSE PEOPLE WHO SCOLD YOU
WHAT THEY'D GIVE JUST FOR THE RIGHT TO
HOLD YOU.

Halloween

An annual tradition at Science Park H.S., where students take to the atrium to showcase their halloween costumes. Here, the costumes range from the ubber scary, to cute, to utterly ridiculous and to hilarious. The anticipation for who will wear the best costume is also part of the fun.

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too:
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it.

All the seven deadly sins are man's true nature.
To be greedy. To be hateful. To have lust. Of
course, you have to control them, but if you're
made to feel guilty for being human, then you're
going to be trapped in a never-ending sin-and-
repent cycle that you can't escape from.

"There's no such thing as a painless lesson-they

Although if you can endure that pain and walk

strong enough to overcome any obstacle. Yeah...
a heart made Fullmetal."

stupid excuse to wait for things to happen
instead of making them happen."

Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma -which is living with the results of other people's thinking.
